As you may be aware that the Central Council for Research in Ayurvedic Sciences (CCRAS), An apex organization under Ministry of Ayush has initiated CCRAS-Post Doctoral Fellowship scheme in the year 2021 with 10 seats per annum for Ayurveda and other science disciplines in order to identify motivated young researchers of Ayurveda and related science disciplines to provide them support for conducting research in frontier areas of Ayurveda to enhance their academic and research capabilities.

2. The fellows may work under a mentor, at reputed organizations like CSIR, ICMR, DBT, National Institutes, recognized Universities, National Institutions of AYUSH, Ayurveda Colleges/institutions etc. for the tenure of two (2) years. This Post Doctoral Fellowship also provides an opportunity to acquire new skills, broaden one's horizon and offers a platform for transiting into cross-disciplinary areas, and it is hoped that this training will provide them a platform to develop as an independent researcher.

3. The thrust areas comprise (a) Network Pharmacology / In-silico study, (b) Studies on Drug-Drug interaction (c) Toxicogenomics (d) Pharmaco-Informatics in Ayurveda System of Medicine (e) Ayurveda Biology / System Biology (f) Validation of Ayurvedic Principles (g) Drug development (Pre-clinical/ Clinical studies) for unmet medical needs (h) Ayurveda Dietetics and Pharmaco-nutrition (i) Development of Ayurveda based Diagnostic tools (j) Biomedical Instrumentation (k) Agro-techniques and cultivation protocols for RET Species including Good Agricultural and Collection Practices (GACP) (l) Bio-informatics/ Digital Technology (m) Research on neglected drugs of Rasa Shastra in all respects including preparations of formulations, chemical analysis, Pre-clinical safety & efficacy studies, genomics safety profile in some drugs, clinical studies etc. and involvement of reputed industries may also be done as per requirement (n) Research on Co-relation of Poorvaroopas with Disease markers (o) Studies on developing diverse dosage forms of Ayurvedic medicines etc.

4. Your good offices are requested to provide wider publicity of this scheme among the stakeholder and encourage the scholars from Ayurveda and basic sciences for optimal utilization of this PDF Scheme. Candidates can apply in the prescribed format, available on the CCRAS PDF Portal: <https://pdf.ccras.org.in>. The selections are made twice a year, in the months of June and December. This approach, besides generating scientific evidences on basic concepts of Ayurveda also contributes to the capacity building of human resources for furtherance of trans-disciplinary research at large. The soft version (PDF) of scheme document is available in the CCRAS website (www.ccras.nic.in) and CCRAS PDF Portal (<https://pdf.ccras.org.in/>). The last date of submission of application form for June, 2024 batch is 30th June, 2024.

Your kind cooperation in this regard is highly solicited.

With regards,
Yours sincerely,
Prof. (Vd.) Rabinarayan Acharya
