About NIA

National Institute of Ayurveda was established in 1976 by the Government of India as an apex Institute of Ayurveda in the country to develop high standards of teaching, training, clinical services and research in all aspects of Ayurveda with a scientific approach. NIA offers UG, PG and Post Doctoral courses on all branches of Ayurveda along with short term courses on various important areas of Ayurveda to both Indian and Foreign nationals. NIA plays a very important role in formulating standards, guidelines and policy making of the AYUSH sector by its technical inputs.

About Department of Saundarya Ayurveda under Dravyaguna Department

Ayurveda is not merely a science of medicine, but it deals with all aspects of a better living. Cosmetology is a subject having socio-medical importance, which has been accepted since time immemorial. Now a day, a lot of peoples are encashing this demand in beauty industry. At present, the market is flooded with lots of beauty products. Ninety percent of those beauty products claim to be of herbal origin or Ayurveda products. These kinds of products are full of harmful chemicals like mineral oil, parabens, sulphates etc. This course aim to prepare authentic practitioners of Ayurveda well trained in the field of beauty and cosmetology. It is the need of hour that the principles of Ayurveda should be applied holistically in field of aesthetic medicine. Keeping in view all the above facts, National Institute of Ayurveda, an apex institute of Ayurveda has decided to start a post-graduation course in the field of aesthetic medicine i.e. M.Sc. Saundarya Ayurveda. Department of Saundarya Ayurveda is one of the six new departments formed in National Institute of Ayurveda. Department of Saundarya Ayurveda is essentially involved currently with the research, teaching & training at post graduate (M.Sc) level.
