

**Perspective plan and time frame for achieving the parameters mentioned in clause
4.1 to 4.9**

National Institute of Ayurveda had applied for NAAC accreditation(cycle 1) on 4th June 2018. But the IIQA(Institutional Information for Quality Assessment) submitted by NIA was rejected on the grounds that NAAC was preparing specific manual for Assessment and Accreditation for Health Science Institutions. The above said manual was prepared on 23rd March 2019. Followig this, the institution is in the process of resubmitting the application along with SSR (Self-Study Report) for the revised process of assessment and accreditation. The institute is hopeful of achieving the target by the end of May 2020.

The IIQA (Institutional Information for Quality Assessment) submitted by NIA along with the e- mail correspondence with NAAC is being submitted for proof.

Sir,

As per the policy of NAAC it is not possible to keep the IQA application pending without processing it for more than two months. Hence we need to close the IQA application. On closing the application we need to refund the amount to the institution. If we do not refund the money now we need to pay the GST and later on we will not be able to refund the the GST amount to the institution and NAAC will be constrained to pay only the fee amount i.e. Rs.25000/- and GST will be deducted.

Hence it is requested to send the bank details at the earliest.

The inconvenience caused is regretted.

It's very interesting and impressing that NAAC is preparing specific manuals for health Science Institutions, which was actually required. However, we want to request you to please keep our application pending. We promise that we will follow your all instructions/directions as per new manual including all types of fee i.e. Application fee, accreditation fee etc. We also agree to deposit any difference in application fee also, if any, due to separate manual. the request is only to prevent procedural problems regarding financial transactions.
