About Jaipur

Jaipur, The Pink City of India, is the fascinating capital of the marvellous state of Rajasthan. A diverse land of rich cultural heritage Jaipur is included in UNESCO World Heritage sites and forms a part of the west Golden Triangle tourist circuit. One of the first planned cities of India, Jaipur is famous for its unique jewellery, varied textiles and sumptuous cuisine and is a royal treat for tourists all over the world. Jaipur has a close proximity with Delhi, the National Capital and is well connected to other parts of the country through air, rail and road. Weather in Jaipur is warm and pleasant during October and it is one of the best time to visit Pink city. Economic/Budget hotels are available near by Institute.
