सुर्खियों का राजस्थान और खासतौर से अलवर जिले का नाम एक बार फिर सुर्खियों में है। सुर्खियों का रंग इस बार भी सुर्ख लाल न होकर काला है। पिछली बार भाजपा सरकार के शासन में मॉब लिंग के कारण काला टीका लगा था तो इस बार कांग्रेस शासन में सामूहिक बलात्कार प्रकरण ने कालिख पोत दी है। रोज नई घटनाएं घट रही हैं, पर अफसरों और पुलिस की आंखों में शर्म की हल्की सी भी झलक नहीं है। सबने आंखें मूंद रखी हैं। राजनेता भी केवल चुनावी फायदे-नुकसान की दृष्टि से दिखावा कर रहे हैं।

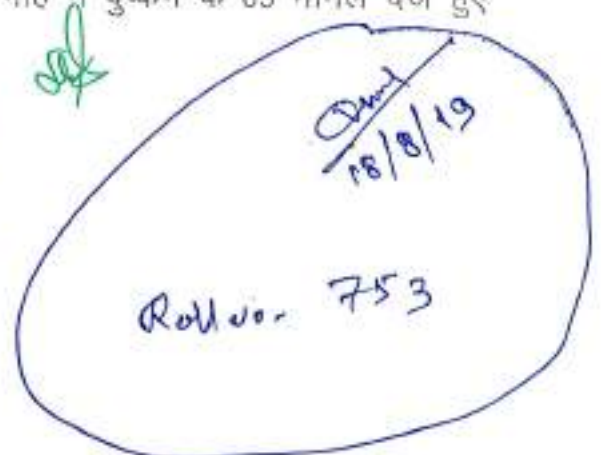

महिलाओं से जुड़े अपराधों की रोकथाम उनके लिए न तो मुछ्दा है, न धिता का विषय। आजादी के 70 साल हो गए। इन सात दशकों में कमी आना तो दूर, ये घटनाएं बढ़ती जा रही हैं। अफसरों और पुलिस के लिए सबसे महत्वपूर्ण काम हो गया है, राजनेताओं के आगे-पीछे चक्कर लगाना। समय-समय पर हाजिरी बजाना ताकि मलाइदार फील्ड पोस्टिंग इनाम में मिल जाए। अभी तो चुनाव का बहाना मिला हुआ है इसलिए अपराधियों को खुली छूट है। बलात्कारियों ने तो जैसे पुसि से सांठ-गांठ कर ली है। पूरा राजस्थान खुला बाड़ा बना हुआ है, चाहे जिसे उठाओ, इज्जत लूटो- पुलिस कुछ नहीं कहेगी। थानागाजी की घटना का उबाल अभी ठंडा नहीं हुआ कि 9 मई को जयपुर के चन्दवाजी में समाजकंटकों ने घर में घुसकर सामूहिक बलात्कार कर दिया। इसी दिन सीकर जिले के फतेहपुर में घर का दरवाजा तोड़ कर घुसे तीन वहाशियों ने महिला के साथ दरिंदगी कर डाली। फुलेरा में देहशोषण से पीड़ित एक नाबालिग छात्रा की संदिग्ध मौत हो गई, पर पुलिस बीस दिन सोती रही। उसकी नींद तब खुली जब पत्रिका ने मामला उठाया। छात्रा ने परिजानों को तो बेशर्म पुलिसवाले थने से भगा देते थे। बीदासर में तो और भी शर्मनाक घटना हुई जब ससुराज वालों से पीड़ित एक महिला निर्वस्त्र हालत में थाने पहुंच गई।

राजस्थान में दरिन्दों को कितनी 'आजादी' है और पुलिस ने किस तरह आंख मूंद रख है, इसे समझने के लिए यह तथ्य काफी है कि तीन माह में दुष्कर्म के 63 मामले दर्ज हुए और कार्रवाई सिर्फ 3 मामलों में हुई।

National Security Adviser (NSA) Ajit Doval has been re-appointed to the top post in Prime Minister Narendra Modi's office for a second five-year term, with an elevation, the government said on Monday.

Appointed as NSA during Modi's first term with a minister of state rank, this time round Doval has been elevated to the rank of cabinet minister on par with members of the Cabinet Committee on Security home minister Air Shah, defence minister Rajnath Singh, External affairs Minister S. Jaishankar and finance minister Nirmala Sitharaman.

The Appointments Committee of the Cabinet has approved the appointment of Ajit Doval, IPS (Retired) as national Security Adviser with effect from 31.05.2019. His appointment will be co-terminus with the term of the Prime Minister or until further order, whichever is earlier, a government order said.

During the term of his office, he will be assigned the rank of Cabinet Minister in the Table of Precedence, the brief order said. Doval has been a major influence of the government's security policy- including dealing with the situation in Jammu and Kashmir, engaging with Pakistan and China as well as deepening India's relationship with Arab countries such as Saudi Arabia and the United Arab Emirates.

"Doval as NSA is well-equipped to deal with nation security as he has shown," said P.S. Raghavan, who heads the National Security Advisory Board that deals with internal and external security, foreign affairs, defence, science and technology and economic affairs and normally meets at least once in a month. "He has brought a holistic approach to national security in our country," Raghavan said.

Thorough and sharp have been two adjectives used to describe Doval. According to a former colleague of Doval, countering terrorism posed by groups based in Pakistan as well as splinter groups of the Islamic State would be one of the main challenges for the NSA, especially after the 21 April Easter bombings in Sri Lanka. There is also the Question of India Adapting 5G technology- the equipment for which is offered by five companies - the Finnish Nokia, Swedish Ericsson, South Korea's Samsung, and China's Huawei and ZTE.

In recent weeks, the US has been warning the allies against using Huawei for its 5G technology. Huawei is too close to the (Chinese) government, Patrick Shanahan, US acting secretary of defence was quoted as saying at the annual "Shangri-La Dialogue" in Singapore, warning of Cyber security and intellectual property issue with the company. The US has been threatening to cut intelligence.

During the term of his office, he will be assigned the rank of Cabinet Minister in the Table of Precedence, the brief order said. Doval has been a major influence on the government's ^P security policy- including dealing with the situation in Jammu and Kashmir, engaging with Pakistan and China as well as deepening India's relationship with Arab countries such as Saudi Arabia and the United Arab Emirates.

"Doval as NSA is well-equipped to deal with national security^P as he has shown," said P.S. Raghavan, who heads with ^P national ^P security Advisory Board that deals with internal and external security, foreign affairs, defence, science and technology and economic affairs and normally meets at least once in ^P month. "He has brought a holistic approach to national security in our country," Raghavan said.

Thorough and sharp have been two adjectives used to describe Doval. According to a former colleague of Doval, countering terrorism posed by groups based in Pakistan as well as splinter groups of the Islamic State would be one of the main challenges for the NSA, especially after the 21 April Easter bombings in Sri Lanka. There is also the question of India adopting 5G technology- the equipment for which is offered by five companies - the Finnish Nokia, Swedish Ericsson, South Korea's Samsung, and China's Huawei and ZTE.

In recent weeks, the US has been warning its allies against using Huawei for its 5G technology. Huawei is too close to the (Chinese) government, Patrick Shanahan, US acting secretary of defence was quoted as saying at the annual "Shangri-La Dialogue" in Singapore, warning of ^Pcybersucurity and intellectual property issues with the company. The US has been threatening to cut intelligence sharing ^P with countries that choose telecom companies the US does not trust. India, on its part, has not banned Huawei from its process for 5G telecommunication network. Two of India's three major telecom service providers are heavily dependent on Huawei and ZTE for equipment.

रंग सुर्खियों का राजस्थान और खासतौर से अलवर जिले का नाम एक बार फिर सुर्खियों में है। सुर्खियों का रंग इस बार भी सर्ख लाल न होकर काला है। पिछली बार भाजपा सरकार के शासन में मॉब लिंकिंग के कारण काला टीका लगा था तो इस बार कांग्रेस शासन में सामूहिक बलात्कार प्रकरण ने कालिख पोत दी है। रोज नई घटनाएं घट रही हैं, पर अफसरों और पुलिस की आंखों में शर्म की हल्की सी भी झलक नहीं है। सबने आंखें मूंद रखी हैं। राजनेता भी केवल चुनावी फायदे-नुकसान की दृष्टि से दिखावा कर रहे हैं।

का महिलाओं से जुड़े अपराधों की रोकथाम उनके लिए न तो मुद्दा है, न चिंता का विषय। आजादी के 70 साल हो गए। इन सात दशकों में कमी आना तो दूर, ये घटनाएं बढ़ती जा रही हैं। अफसरों और पुलिस के लिए सबसे महत्वपूर्ण काम हो गया है, राजनेताओं के आगे-पीछे चक्कर लगाना। समय-समय पर हाजिरी बजाना ताकि मलाइदार फील्ड पोस्टिंग इनाम में मिल जाए। अभी तो चुनाव का बहाना मिला हुआ है इसलिए अपराधियों को खुली छूट है। बलात्कारियों ने तो जैसे पुलिस से सांठ-गांठ कर ली है। पूरा राजस्थान खुला बाड़ा बना हुआ है, चाहे जिसे उठाओ, इज्जत लूटो- पुलिस कुछ नहीं कहेगी। थानागाजी की घटना का उबाल अभी ठंडा नहीं हुआ कि 9 मई को जयपुर के चन्दवाजी में समाजकंटकों ने घर में घुसकर सामूहिक बलात्कार कर दिया। इसी दिन सीकर जिले के फतेहपुर में घर का दरवाजा तोड़ कर घुसे तीन यहशियों ने महिला के साथ दरिंदगी कर डाली। फुलेरा में देहशोषण से पीड़ित एक नाबालिग छात्रा सिद्धि मौत हो गई, पर पुलिस बीस दिन सोती रही। उसकी नींद तब खुल जब पत्रिका ने मामला उठाया। छात्रा के परिजनो को तो बेशर्म पुलिसवाले थाने से भगा देते थे। बीदासर में तो और भी शर्मा घटना हुई जब ससुराल वालों से पीड़ित एक महिला निर्वस्त्र हालत में थाने पहुंच गई। **X**

कर राजस्थान में दरिन्दों को कितनी 'आजादी' है और पुलिस ने किस तरह आंख मूंद रखी है, इसे समझने के लिए यह तथ्य काफी है कि तीन माह में दुष्कर्म के 63 मामले दर्ज हुए और कार्रवाई सिर्फ 3 मामलों में हुई। पिछले साल बलात्कार के मामलों में तो पुलिस ने एफ. आर. ही लगा दी। पुलिस की निष्क्रियता का आलम यह है कि राजस्थान में रोज 4 से ज्यादा महिलाएं बलात्कार का शिकार हो रही हैं। पूरे विश्व में राजस्थान के नाम पर थू-थू हो रही है। पर किसी के माथे पर शिकन नहीं है। गृह विभाग ने तो आंख-कान सब बंद कर लिए। पुलिस को पीड़िताओं और उनके परिवारों की बददुआओं का

National Security Adviser (NSA) Ajit Doval has been re-appointed to the top post in Prime Minister Narendra Modi's office for a second five-year term, with an elevation, the government says on Monday.

Appointed as NSA during Modi's first term with a minister of state rank, this time round Doval has been elevated to the rank of cabinet minister on par with members of the Cabinet Committee on Security home minister Amit Shah, defence minister Fajrath Singh, external affairs minister S. Jaishankar and finance minister Nirmala Sitharaman.

The Appointments committee of the Cabinet has approved the appointment of Ajit Doval, IPS (Retired) as National Security Adiser with effect from 31.05.2019 His appintement will be co-terminus with the term of the Prime Minister or until further orders, whicheer is earlier, a government order said.

During the term of his office, he will be assinged the rank of Cabinet Minister in the Table of Precedence, the brief order said. Doavl has been a major influence on the government's security policy- including dealing with the situation in Jammu and Kashmir, engaging with Pakistan and China as well as deepening India's realationship with Arab countries such as Saudi arabia and the Untied Arab Emirates.

"Doval as NSA is well-equipped to deal with national security as he has shwn," said P.S.Raghavan, who heads the National Security Advisory Board that deals with internal and external security, forign affairs, defence, science and technolog and economic affairs and normally meets at least once in a month. "He had brought a holistic approach to nationa security in our country," Raghavan said.

Thorough and sharp have been two adjectives used to describe Doaval. Accoriding to a former colleague fo Doval, counfering trrorphism posed xb groups based in Pakistan as well as splinter groups of the Islamic State would be one of the main CAhallenges for the NSA, especially after the 21 April easer bombings in Sri Lanka. There is also the question of India adopting 5G technology- the equiprient for which is offered by five companies - the Finnish Nokia, Swedish Ericsson, South Korea's Samsung, and China's Huawei and ZTE.

In recent weeks, the US has been wriing its allies against using Huawei for its 5G technology.

National Security Adviser (NSA) Ajit Doval has been re-appointed to the top post in Prime Minister Narendra Modi's office for a second five-year term, with an elevation, the government said on Monday.

^P Appointed as NSA during Modi's first term with a minister of state rank, this time round ~~Doal~~ has been elevated to the rank of cabinet minister on par with members of the Cabinet Committee on Security - home minister Amit Shah, defence minister Rajnath Singh, external affairs minister S. Jaishankar and finance minister Nirmala Sitharaman.

The Appointments Committee ^x to the Cabinet has approved the appointment of Ajit Doval, IPS (Retired) as National Security Adviser with effect ^x from 31.05.2019. His appointment will be co-terminus with the term of the Prime Minister or until further orders, whichever is earlier, a government order said.

^P During the term of his office, he will be assigned the rank of Cabinet Minister in the Table of Precedence, the brief order said. Doval has been a major influence on the government's security policy - including dealing with the situation in Jammu and Kashmir, engaging with Pakistan and China as well as deepening India's relationship with Arab countries such as Saudi Arabia and the United Arab Emirates. ^P

"Doval as NSA is well-equipped to deal with national security as he has shown," said P.S.Raghavan, who heads the National Security Advisory Board that deals with internal and external security, foreign affairs, defence, science and technology and economic affairs and normally meets at least once in a month. "He has brought a holistic approach to national security in our country," Raghavan said.

Thorough and sharp have been two adjectives used to describe Doval. According to a former colleague of Doval, countering terrorism posed by groups based in Pakistan as well as splinter groups of the Islamic State would be one of the main challenges for the NSA, especially after the 2 April Easter bombings in Sri Lanka. There is also the question of India adopting 5G technology- the equipment for which is offered by five companies - the Finnish Nokia, Swedish Erisson, South Korea's Samsung, and China's Huawei and ZTE.
